## **Standard Guarantee of the American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

Belair Mary Jane D 4th is bred to Waverley's Sentry, one of the U.S.D.A. herd bulls. Notice that Edellyn Goldfinder, sire of the dam of Sni-A-Bar Control, appears in this pedigree.

Shorthorns and Polled Shorthorns fit in ideally with farming in the Eastern section of the U. S. The abundance of luscious grass, shade and an excellent water supply are conditions under which Shorthorns do best. The Shorthorn of today, which is of the low set, thick, blocky type, surpasses all breeds in the ability to consume cheap feeds for rapid profitable gains. Remember that more weight-for-age can be attained by producing Shorthorns, which means more money in the bank at the end of the year.

The reserve champion steers over all breeds at the Eastern National Live Stock Show in Timonium during the last two years were Shorthorns. These two flashy steers were shown by O. W. House. This accomplishment illustrates what the Shorthorn will do at young ages. If you are looking for the quality kind, remember that many of the breed's best will be selling at Timonium.

## INDIANA SALE CATTLE ARE WIDELY DISTRIBUTED

### Cross Cattle Sell Well At Dispersal

#### William A. Orr Selling His Herd

William A. Orr, Warsaw, Indiana, has rented his farm and is dispersing his well-bred herd of Polled Shorthorns at auction on Tuesday, November 15, 1949, at his farm just east of Warsaw.

When Mr. Orr decided to become a Polled Shorthorn breeder he went to see the well-known herd of E. C. Shaffer and Son at Bourbon, Indiana, and purchased four of his best heifers and a young bull. Later he purchased a heifer that had been first prize winner at the Omaha Show and Sale from Lynnwood Farm, Carmel, Indiana. (These animals will be sold in his sale.)

From this solid foundation of five good young females he has de-

(Continued on page 4)

★ Carl Cross was very pleased to see so many well-known Polled Shorthorn breeders as well as a good number of new breeders assembled for his dispersal sale. In his short talk he mentioned that he was particularly happy to see his long-time friends, Fred Johnson, Elm Creek, Nebraska, and the Cleo Hultines from Saronville, Nebraska, and asked them to stand for an introduction to any of those who were not acquainted with these "famous names" in Polled Shorthorn history.

Carl stated that it had been necessary that he have an appendectomy and that he had been taken home from the hospital on the Sunday prior to the sale and told his friends how much he regretted that he had been unable to spend those several days just prior to the

★ On the bleachers at the Indiana Polled Shorthorn sale at Lafayette, Indiana, on October 26, 1949, were enthusiasts from nine states, and when the auction was completed people from six states were the new owners of the good cattle consigned by Indiana breeders.

W. P. Hix, Winchester, Tennessee, purchased twelve females to start a new herd. Dr. H. J. Halleck, Winamac, Indiana, added five head to his good herd. Aydelotte Stock Farm, Fowler, Indiana, got four head. Mrs. Lynn Templeton, of Sheridan, Indiana, who explained that she formerly had had Scotch Shorthorns, purchased three females, as did C. A. Baltzley, of Santa Fe, New Mexico and M. O. Bennett, Memphis, Tennessee. John E. Lee, Dancy, Alabama, made the high bid on two bulls and a female. The Lloyd R. Johnstons of Pittsboro, Indiana, and George Woods

#### Thomas Piatt Honored

Thomas Piatt, owner of Brookdale Farm, Lexington, Kentucky, was honored guest of the Thoroughbred Club of America at its eighteenth annual testimonial dinner held on October 13, 1949, at Lexington.

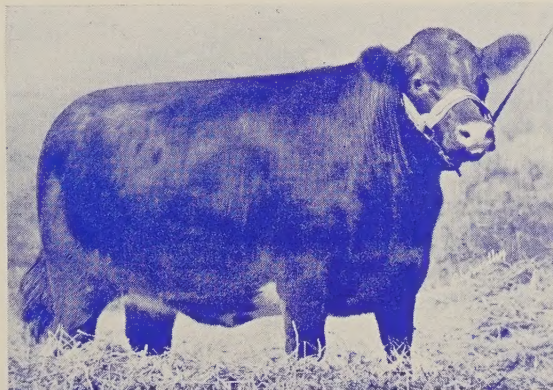

We arrived at Brookdale in mid-afternoon and Wilbur Nickel, herdsman for Mr. Piatt, immediately took me out to the barns to see a few of the Brookdale Polled Shorthorns and particularly Cherry Hill Clansman x, a son of Edellyn Royal Leader 2d out of a Collynie Fascinator daughter, while Mrs.

#### H. L. STRAUS KILLED

Those attending the Indiana Polled Shorthorn sale on October 26, 1949, were grieved to hear from Mr. Charles J. Lynn that he had ascertained the truth of the report that Mr. H. L. Straus, owner of the famous Cherry Hill herd of Polled Shorthorns, had been killed in a plane crash the evening before while returning from New York City to his home at Glyndon, Maryland.

## INDIANA CATTLE WIDELY DISTRIBUTED

(Continued from page 1)

of Frankfort, Indiana, each purchased two females. H. W. Walker purchased four bulls to go into a shipment of bulls he is making to Fred Taylor, Como, Mississippi.

We are happy to welcome the new breeders into the Polled Shorthorns fraternity and glad that so many out-of-state people recognize Indiana as a good place to buy Polled Shorthorns.

At the show which preceded the sale, Judge Paul Teegardin, Ashville, Ohio, picked Noble's Ximenes 2d x, consigned by Reeves and De-Busk, Crawfordsville, Indiana, as champion bull, and he went to A. Bruns & Son, Lake Village, Ind., at \$480.00. He selected Henry D. Bower's first prize senior bull calf at the Indiana State Fair, Collynie Peer x, as reserve champion bull. This nice roan calf was purchased by C. Raymond Bailey, Connersville, Indiana, for \$550.00.

Mr. and Mrs. Lester Norton, Williamsport, Indiana, brought out the champion female, Glenwood Bessie 29A x, and Dr. Halleck paid \$435.00 for her. Lynnwood Missie B x, consigned by Lynnwood Farm, Carmel, Indiana, was reserve champion female. Abner James Griffin, Clinton, Illinois, purchased her at \$545.00.

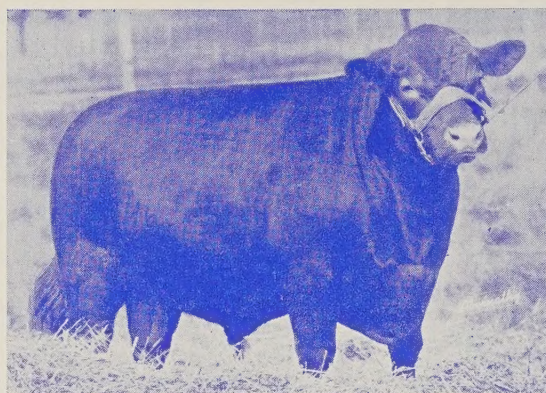

The highest selling bull, Lynnwood Record x, a son of Glen Knolls Monarch x, went to R. R. Johnston, Dancy, Alabama, at \$700.00. F. K. Blair's Fancy Lady Clipper x, the top selling female, was purchased by George A. Shaffer & Sons, Royal Center, Indiana, at \$590.00.

Hamilton James, Newton, Illinois, sold the offering in his usual good, snappy manner. He was assisted in the ring by Tug Eastburn, of Lafayette, Indiana, Stanley Perkins of the American Shorthorn Breeders Association, Ed Huff of The Shorthorn World and Vaughn Lipp from The Farmers Guide. Imogene De-Busk did the clerking and George Walker was in charge in the barn. H. W. Walker managed the sale.

Claude Harper, head of the Animal Husbandry Department of Purdue University, speaker at the banquet on the evening before the sale, made a most interesting and informative talk on the position of Indiana in the livestock world.

sale with the cattle he cherished.

Bidding was brisk for the six fine cows bred to Pittodrie Upright, famous as the world's highest priced beef bull. Chester Motter, of Bluffton, O., purchased the beautiful, white, undefeated Lady Victoria x, the highest selling animal in the sale for \$1210.00. Gunn Farm at Greenfield, Indiana, purchased two beautiful roan cows bred to this great sire, Browndale Bess 10th x, a daughter of Collynie Fascinator x, at \$800.00, and Roan Lady 2d x, at \$1050.00. They also purchased Lady Augusta 29th x, bred to Lynnwood Nugget x, for \$885.00.

John Siegle & Son, St. Francisville, Illinois, bought Dorothy 10th x, another daughter of Collynie Fascinator x bred to Pittodrie Upright, at \$1010.00. The other two cows bred to him went South, namely, Lady Gloster 11th x to R. R. Johnston, Dancy, Alabama, at \$1000.00 and Queen Bess 2d x to Greentree Stud Farm, at Lexington, Kentucky.

Charles South, a new breeder at Franklin, Ohio, purchased five animals for the highest total expenditure. He paid \$700.00 for Nugget 12th x, a son of Lynnwood Nugget x out of a daughter of Collynie Goods x. Scotch Beauty 5th brought \$425.00, the handsome red Duchess of Gloster 19th x brought \$650.00, Riverside Missie 16th x, a daughter of the famous Riverdale x brought \$520.00. These three cows are all bred to Collynie Control x, Carl's prize winning bull that went to Redd Bros., Jenera, Ohio, and George Burks and Sons, McCutchenville, Ohio, at \$850.00. Mr. South also got Gwendoline 12th x, first prize senior heifer at the 1949 Ohio State Fair. This group will certainly make a solid foundation for a herd that we will be hearing from.

C. A. Baltzley, Santa Fe, New Mexico, bought five females to be shipped out with the three he purchased the previous day at the Indiana State sale. Two were bred to Collynie Control x, the Grand Champion bull at the 1948 Ohio State Fair, Jessie Rosebud 2d x, a daughter of Collynie Goods x (\$490.00) and Riverside Jessie 5th x, a daughter of Riverdale x (\$440.) An outstanding red daughter of Collynie's Type 3d x, Cumberland Augusta 3d x, bred to Lynnwood Nugget brought \$425.00. Cumberland Augusta 6th x sold for \$360.00 and Lady Augusta 30th x for \$460. We feel sure that these outstanding

veloped a herd of pleasing quality and profitable productivity. He has been particularly impressed with the ability of Polled Shorthorns to raise outstanding calves and has sold many fine calves sired by Lynnwood Gauntlet and Collynie Creed 2d, several of them having won first in class at the County 4-H Fair.

Collynie Creed 2d, purchased from Mark W. Congleton & Son, of Frankfort, Indiana, has done an excellent job for Mr. Orr. 13 cows with calves at side by him will be sold and several are rebred to this bull. The five bulls offered include Collynie Creed 2d. Seven bred heifers are being sold.

The cattle will be running on pasture until sale day. They have been fed no grain, however, they are in excellent breeding condition.

Here is another specific example of what can be accomplished in a few years by starting a herd of Polled Shorthorns with a few choice females.

individuals will cause much favorable comment and create an interest in Polled Shorthorns in a new territory.

Walter Furbay & Son, Cardington, Ohio, purchased three females, and Locustwood Farm, Dayton, O., and C. H. Von Lehnden, Ft. Jennings, Ohio, each purchased two females.

Three Indiana buyers purchased two females each: Ray and Gerald Clodfelter, Greencastle, Indiana, got two daughters of Lynnwood Nugget x, Lady Augusta 32d x at \$500.00 and Cumberland Countess 5th x at \$420.00; Ellis Shafer, Royal Center, Indiana, bought two red daughters of Riverdale x, Riverside Gloster at \$500.00 and Riverside Violet x at \$370.00; George Woods, Frankfort, Indiana, purchased two daughters of Lynnwood Nugget x, Queen Bess 3d x at \$300.00 and Gloster Glee 4th x at \$310.00. C. E. McCoy, Lafayette, Indiana, bought Collynie Royal x, a son of Nugget at \$300.00 and Edgcote Lady 3d x at \$470. Two bulls were purchased for Fred Taylor, Como, Mississippi.

One animal, Missie 17th x, a red daughter of Lynnwood Nugget x bred to Collynie Control x, went out of the country, to R. C. Armstrong, Teeswater, Ontario, Canada.

Carl sincerely hopes that all animals purchased in his dispersal do well for their new owners.

**THOMAS PIATT HONORED**

(Continued from page 1)

Walker successfully investigated Wilbur's refrigerator in search of a Coke. We then drove to the adjacent pastures and saw several of Mr. Piatt's lovely, big cows grazing on the world famous blue grass and their really short-legged, blocky calves by Clansman and one by Killearn Max Juggler, the champion Shorthorn bull at the 1949 American Royal, now owned by Clausen Bros., Spencer, Iowa.

After that we rushed over to Keeneland for the sixth and seventh races and found Clinton K. Thomson, Secretary of the American Shorthorn Breeders Association sitting in Mr. Piatt's box studying The Racing Form. Incidentally, Wilbur and I wound up our activities on two races with a net of three dollars each.

It was a glorious, warm, sunny afternoon, and we couldn't resist, even with very limited time, the opportunity to drive over to Greentree Stud Farm to look over their fine mostly red Polled Shorthorns.

When we arrived at Joyland Casino, where the dinner was being held, we were delighted to see Mr. and Mrs. A. G. Schubert of Hamilton, Ohio, and Mr. H. L. Straus of Worthington Farms, Glyndon, Maryland.

Some four hundred members of the Club and friends of Mr. Piatt paid tribute to him that evening, and he said with a chuckle in his very brief speech "and you must be my friends or you wouldn't have paid ten dollars to come here and have dinner with me." Entertainment by the Thoroughbred Club Minstrels was interrupted for a program by Ella Logan and the members of the Lookout House floor show who had been flown over for the occasion.

The next morning Mr. Piatt took us on a complete tour of his farm, and besides his Polled Shorthorns we saw his many thoroughbreds including a full brother to the Derby winner, Alsab, bred by Mr. Piatt, that also promises to make headlines.

Time wouldn't permit us to accept Mr. Piatt's invitation to lunch, so we regretfully took our leave of this truly beautiful and charming country and Brookdale's hospitality.

Elizabeth said she was all mixed up about thoroughbreds, standard breeds, saddle horses, et cetera, so we spent some of the time coming home getting that straightened out.
